## Learners, This Section is For You!

This newsletter is for students. Do you have a story to tell?

If you do, Literacy Volunteers of Coconino County will put it in this newsletter. If you have a picture or photograph, we can publish that, too. Here are some questions to get you started.

1. Has learning to read, write or speak English changed you?
2. What's your favorite place in Flagstaff?
3. Do you have any advice for new students?

If you have a story to put in the newsletter, call us (556-0313), drop in at the office and tell us (Tuesday - Friday, 9 am to 5 pm) or send it to us (715 N. Humphreys, Flagstaff, AZ 86001).

## Computers Available for Learner Use

Literacy Volunteers has 3 computers for students to use any time the office is open, (Tuesday - Friday, 9 am - 5 pm).

We have learning software and the Internet. You can use e-mail or play games.

We can help you get started if you don't know how to use a computer.

- Send us a story!
- What is your favorite lesson?
- What do you like to do in your spare time?
- What do you want to learn?

## Friday Morning Group Class Ends

Thank you Katy Bippus for being our fabulous Friday morning English teacher. Her class will end on May 30th. Katy is having a baby soon!

Students attending the class were from Vietnam, China, Japan, Mexico, and Peru.

They practiced reading, writing, and more! They had a lot of fun together, sharing their cultures and their laughter.

We hope to have a new group class soon in our office. Please call the office to find out details. Our phone number is 556-0313. You are welcome to join the class anytime you can.

Hope to see you!
