## Spring is Finally Here (maybe)!

Spring

Draw the poem below.

Out of cave! Out of hole!  
Bear, rabbit, little mole,  
Hatch from egg in nest in  
trees!  
The birds are back and so are  
the bees.  
The flowers bloom. The leaves  
are green.  
How do they know when it's  
spring?

Build your web! The bugs are  
back!  
Little spider dressed in black.  
Bears, rabbits, birds and bees,  
Flowers, grass and trees,  
Like me their faces are warm.  
That's how they know spring  
has come.

Q. *What happens in the spring?*

How many words can you  
make out of "April showers  
bring May flowers?"
